MEMORANDUM FOR HEADS OF EXECUTIVE DEPARTMENTS AND AGENCIES

Subject: National Federal Women's Program Conference
November 7-9, 1978 - Gettysburg, Pennsylvania

DD/A Registry
78-2661/12

I have scheduled a conference for all national, bureau and regional level Federal Women's Program Managers (FWPM's), to be held at the Sheraton Inn in Gettysburg, Pennsylvania, November 7-9, 1978. Enclosed is a tentative agenda for your information. The conference will emphasize working sessions, and will enable us to develop plans and projects for the national Federal Women's Program (FWP). A highlight of the conference will be Chairman Campbell of the U.S. Civil Service Commission, who will brief the FWPM's on civil service reform and the future of the civil service.

Because the work which is done at this conference will affect the direction of the FWP in your agency, I am sure you will agree that attendance by your Managers is essential. I would appreciate your support for this important national conference.
